Thanks Mike but even an empty folder is liable to max out with these documents... I'll see if I can help Tuesday morning early

Hi Karen,

When I reminded Joe Jackson of the L drive folder you want the DEP data sent to, he told me their scanners can only send to an e-mail address. So I volunteered mine and I will transfer the files to the L:/share/Water Protection Division/Dimock folder as I receive them.

I went through my e-mail and cleared out a lot of it today, in preparation for receiving the files.

See you next week. Merry Christmas!!
